

January 23, 1931

Dear President Shantz:

I am sending by express today to the University, in care of your office, a box of books and papers that I shall want in connection with my work there.

Will you be good enough to ask your Secretary to see that they are placed in the room that is to be my office? I shall appreciate this courtesy.

Very sincerely yours

President H. L. Shantz  
University of Arizona  
Tucson, Arizona
