Dear Madam:-

Sufficient stock has been subscribed for and the greater part has been paid in, to build and equip our plant at West Stockbridge, Mass.

Notice was sent you some time ago but has no doubt been over-looked. Your subscription of \$100.00 could be used very nicely at this time, and we trust you will give the matter your early attention.

Please make your check payable to Seymour S. Green, Treas. , and send to this office.

Very respectfully yours,

THE GRANGERS LIME & MARBLE CO.

W. F. Tomlinson Sec'y.
