Good Resolutions for 1937
not to be broken

Rest do not work for many days
Rest some more lay down on a
Chair lounge or a big sofa
Go between 10 + 12 o'clock to sit in the
Sun - in Grammer Park - all the
houses facing in the park have keys
my friends must have a key
124. East 24 & go
out to Grand Central - if you don't
know you will get lost - ask someone
will ask my old Club. The bell tower
into Club 15 Grammer Park and say
my aunt wants the gate open for you
they will do this - I think that is a guarantee
who will let you out when you want to go
Wear up well - don't catch cold - and rest
Remember you + I have both worked too hard &
that is why I am writing you from a wheelchair
The Nurses will take only to save blood just Resolutions
