Mr. William E. Gwynn,
Farmers State Bank Bldg.,
Sumner, Washington.

My dear Mr. Gwynn:

I have just received here in Washington your letter of April 16th, saying that you had a letter written by Lincoln to his nephew, John Hicks. You are quite right that I would be interested in it. What is your idea about it? Do you wish to sell the original? If so I might be able to find you a purchaser. At all events, I shall be very glad to see the letter.

Please address as below.

Very truly yours,
