Miss Ida M. Tarbell  
381 Fourth Avenue  
New York City, N. Y.

Dear Miss Tarbell:-

Through the kindness of Senator Davis of Pennsylvania I am in receipt of the 10th. anniversary issue of "Social Security" and note therein your interest in the subject.

I am seeking data concerning the value to the employer of old age retirement systems as well as statements by prominent persons on the general aspects of the subject and it's relationship to sound public policy.

Everyone appreciates the interest of the employee in such matters but I have been unable to locate substantial testimony to indicate the employer gets value received. That he does do so would seem to be a fact. What I want to do is demonstrate to a committee studying the matter that this is so and reasons why it is so.

Can you help me?

Thanking you in advance for any cooperation you may be able to give me, I am

Sincerely yours,

LAP/RT
