

December 4, 1936

My dear President Davidson:

I have your letter of November 30th with its invitation to act as one of the Sponsors for the dedication of Old Main Hall at the coming college Centenary in 1937. I am honored by this request. I hesitate only because I know it will be out of the question for me to be present in June. My own college commencement at Allegheny comes at that time and as I am a trustee I must be there if I go anywhere. Of course you will understand that responsibility.

If you think my name alone is of any use as a Sponsor I shall of course be glad to have you use it.

Thank you for your kindly reference to my short association with Knox back in 1928. It is a pleasure to know that they have not all forgotten me as I might naturally expect. It was my first experience fitting into a College world and everybody made it as easy as possible for me and certainly whether it meant much to Knox or not it has always meant a great deal to me.

With the very best wishes to you and the College, believe me
