

Rowayton, Conn.  
May 10<sup>th</sup> 1926

My dear Miss Tarbell:

I need not tell you how very pleased and thankful I am for the financial return I received from your version of Mr. King's experiences.

I am anxious to see the articles and 1927 is some months ahead so if you can send me the copies I will appreciate it.

I see you are writing articles  
on Florida which are very  
interesting and illuminating.

I have just gone through  
the experience of moving again,  
but I am still in Roynton.

I am certainly glad to have  
had even so slight an ac-  
quaintance with you as I  
obtained in your visits to our  
home, and I shall always  
recall you with great pleasure  
and gratitude.

Very truly yours,

Mrs. Henry E. Dong.
