Miss Ida M. Tarbell,
120 E. 19th St.,
New York, N. Y.

Dear Miss Tarbell:

Your letter of January 31st and then your wire of February 2nd are both received.

We certainly appreciate your willingness to co-operate with us in filling the engagement we have booked for you in Birmingham, Ala. and we will of course do our level best to secure something else to connect with it, sometime between March 15th and 25th, either on your way down to Birmingham or upon your return trip North.

I believe it would suit the committee best for you to speak there on March 22nd, if that would suit you also, so unless you advise us to the contrary we will make our plans accordingly. I know the Association of University Women there in Birmingham will be delighted to know that you can address them, and I am sure they will give you a splendid audience.

We will keep you advised from time to time as to the progress we make in securing other engagements for you within the time set aside for our territory.

Again thanking you, I beg to remain

Very sincerely yours,
