METHODIST CHURCH

June 30, 1939

Dear Dr. Bugbee:

Thank you for taking the trouble to write me so kindly about "All in the Day's Work." I should liked to have said very much more about Dr. and Mrs. Bugbee, their kindness to me in my first rather difficult days at Allegheny and their continuing kindness through my four years.

It is good to hear from you, dear Dr. Bugbee. With all good wishes, believe me

Very sincerely yours

Dr. Lucius H. Bugbee  
420 Plum Street  
Cincinnati, Ohio
