My dear Miss Tarbell:

Please accept my very sincere thanks for the copy of the original photograph of my grand father, Green B. Taylor, which I received several days ago.

The picture has brought back many pleasant memories of him as I was a girl of nine when he died in 1900, and never having seen a likeness, had really forgotten how he looked.

The note reproduced under the picture and your signature make it doubly precious to me and I shall always keep it among my most cherished possessions.

Should you ever visit our fair country, the famous Wenatchee valley, I would be very glad to meet you and perhaps could show you some of our beautiful mountain scenery and orchards of which we are justly proud.

Again thanking you, I am

Very sincerely,

Emma Taylor Kingsbury
(Mrs. George L.)
