OFFICE OF THE CHAIRMAN

Mr. Rutger Bleecker Jewett, Vice Pres.,
D. Appleton & Company,
New York, N.Y.

My dear Mr. Jewett:

Judge Cary asked me to acknowledge, with thanks, your kind letter of March 21st.

With regard to the pictures, he says Miss Tarbell is pretty well informed as to what is and what is not available, and which ones might have more effective treatment for use in the final publication if first sketched by artists instead of using a straight photograph. Any requests or practical suggestions from you and Miss Tarbell which we can work out, we shall of course be happy to follow.

Very truly yours,

Secretary to Judge Cary.
