My dear Miss Tarbell:

The address of Dr.
Franklin Stanton Aby is 6464 Norwood
Park Ave., Chicago, Ill.

His name may be found in "Who's Who"
in American Medicine, with a record of his
scholastic, professional, and literary
achievements.

His mother was related to Stanton, which
undoubtedly accounts for his interest in
Lincoln.

I hope you may get in touch with him,
as he has done considerable research on the
question of Lincoln genealogy.

My own work makes progress and I am
continuing to accumulate source material.

Had the pleasure of hearing Sandburg's
lecture on Lincoln the other evening and found
some time for a chat with him. His lecture
was well received.

Wishing you a very successful year, I am,

Sincerely yours,

Louis A. Warren

Thanks sent.
