Motions:

The committee approved a contribution to the SAC picnic last August from this year's budget in the amount of \$242.

Discussion:

In the May 2013 meeting the committee passed a motion to donate our remaining budget to Cancer Walkathon. We since learned that we may not make donations to charitable causes.

A proposal was made to host a holiday fair to sell employee/student crafts. We suggested that Student Involvement Office might be a better group to organize such an event. The AAC, however, applauds the idea and would be happy to support it by recruiting vendors and help with publicity.
