Dear Mrs. Bave:

I am just back from my five weeks in Meadville, rather done up, but morally much strengthened. The old college is better than ever and I did have such a fine class of young people. They did more for me than I did for them I can tell you.

I am glad you like "All in the Day's Work." It is good of you to write me about it.

I found here two jars of delicious marmalade which I am taking with every meal. They tell me they came from you. It was very kind of you to think of me.

With all good wishes

Very sincerely

P. S.

You ask for the names of the three in the picture with you and Miss Carter.

They are - Seated - Minnie Barney

Standing - Josephine Henderson and
Minnie Tupper (?)
