Dear Miss Tarbell:

I have your letter of October 1, for which many thanks.

I most certainly do agree with you that your Allegheny inauguration is the kind-of thing that cannot be set aside. Unfortunately, however, on the morning of the 14th I am leaving for several days in the north country on a business trip, which will dispose of the balance of that week. I could see you, so far as I can now tell, on the afternoon of Monday, the 19th, or on the afternoon of Thursday, the 22nd, or if neither of these dates is convenient, either the morning or the afternoon of the 23rd. Beyond that I am doubtful, as I am arranging to sail for Europe on the 28th, and the last few days are apt to be pretty crowded.

If you will let me know whether any of the above dates meet your convenience I will do my best to be available.

Yours very truly,

Miss Ida M. Tarbell,
