

The ballot will educate her.

Yes - but will it not educate
her ~~at~~ at a public cost to
society - ~~that~~ & is her own special
field ~~than~~ as well as less
thoroughly than going to the
special strings, ~~at~~

Ballot - not the cupy need -
reform of fruit -

A greater appreciation of 2
mistakes upon the civil ~~status~~
value of her present position.
The family is the key out of
democracy - its present ~~best~~
morality - ~~understand~~ -
all qualities are hurried
west there & the Am. woman
is letting the ~~civil~~ relation
of the family to the state
go unappreciated - She is producing
citizens - Her patriotism ~~with~~ -
Caring for the work -

If she needs the vote self pay for
need will I prod she should have
it - But unless she appreciates the
value & makes for them ~~publicly~~ - ~~rather~~
suppose it a ~~vote~~ -
