

KNOX COLLEGE  
GALESBURG ILLINOIS  
OFFICE OF THE PRESIDENT

January 11, 1929

Dear Miss Tarbell:

I was sorry to hear of your influenza encore, if I may speak so lightly of a serious matter. I am delighted to know of your recovery.

Mr. Lawyer showed me yesterday the statement that you prepared for him to be published in the Alumnus. It was admirable in tone and content.

It is a pleasure to know that we shall see you at the Knox dinner on February 1st. You are probably aware that there is always the danger of one's being called on to say a few words at such a time. I shall try to see to it, however, that the program committee does not overburden you.

The college is opening promisingly after the long holiday. So far no displeasing academic problems have presented themselves except the chronic one of doing twelve hours of work in eight hours.

Mrs. Britt and the young ladies are well and blooming as usual.

Cordially yours,

Miss Ida M. Tarbell,  
120 East Nineteenth Street,  
New York City.
