Dear Miss Chandler:

Thank you for this clipping.
I am jubilant over it and the speech. You will
be sure to send me the photostats.

The letter of which I spoke yes-
terday from which I have a quotation on Engineering
Education was written to Chester B. Tucker, June 15th,
1926. What I want is Mr. Tucker's letter which called
out Mr. Young's comment.

Thank you!

Faithfully

Miss Gertrude Chandler
