Miss Ida M. Tarbell,
120 East Nineteenth Street,
New York City.

My dear Miss Tarbell:

It has been a long time since I have had an opportunity to get back into my reading on Lincoln items. I am now starting a systematic course of reading for the purpose of publishing some articles when time will permit.

My immediate purpose in writing you now is to ask of you a favor. I would greatly appreciate it to have the several books of your own autographed, and I am wondering if you will do me that favor if I send you copies of your books for that purpose. I would like to have them autographed with some appropriate sentiment that may occur to you at the time. If, at any time, I can return this courtesy, I will gladly do so.

With kind regards, I am

Sincerely yours,

Director,
State Board of Vocational Education
