Dear Miss Conley:

Thank you heartily for your letter of October 31st with the clippings from the Herkimer County News.

I am pleased that you think the selections from my forthcoming biography, which was used by the American Magazine recently, are worth your attention. It is not the beginning of the book I have in preparation - only selections.

Looking at your clippings, which I am very glad to have, I see that I have already the material. I have on hand a complete collection of Mr. Young's speeches to day, as well as notes on most of his little talks. I feel as if I knew Van Hornesville already pretty well but I am arranging to go again for a few days as soon as I can. Possibly you will let me call upon you when I do get around.

Thanking you again for your letter and its kind expressions, believe me

Very sincerely yours
