Miss Ida M. Tarbell,
Bethel, CONN.

Dear Miss Tarbell::

Under separate cover I am sending you two personal copies of F. A. L., Part 69, with my compliments. I am enclosing two recent circulars, showing what I am still doing, not mentioning three annual magazines, etched also, which were published in the long ago, each for a year. Other books, that ran thru their limited editions, ofcourse are not circularized any more.

I shall be glad to get into correspondence with anyone interested in your Allegheny Collge in the matter of acquiring any of my works, making such financial arrangements as conditions may require.

I trust Part 69 meets with your approval.

Yours very truly,

Burbank
