Dear Mr. Bestor:

It was very kind of you to take the trouble to write me about the letter I wrote to the New York Times. I should have been glad to have done something more careful if I had had the time.

I wish I could be sure that I would be free to go to Chautauqua sometime this summer, but it is very doubtful. If I find I can arrange it you may be sure I will be there.

Hoping that the 60th Anniversary will see all your troubles cleared up and that you will have more friends than ever added to your support, believe me

Very sincerely yours

Mr. Arthur Bestor
