Dear Miss Tarbell:

There does not seem to be a single copy of the first volume of Whitney's "Life of Lincoln" in the city. Would it be asking too much for you to have your secretary change the page references in the enclosed letter to the speech as printed in the Federal edition of Lincoln's writings or in your own Life of Lincoln? I should be very grateful if you could do this.

I believe that the report of the Alton Courier must have been made by George T. Brown, its editor. He was a delegate to the convention.

Sincerely yours,

*Paul M. Angle.*
