Subject: Standardization of Bed Sheets.

My dear Miss Tarbell:-

In continuation of our letter of January 17th, which was written in response to your inquiry of January 7th, I am pleased to advise that the replies to the questionnaire that was issued in connection with the survey of bed sheets are coming back at a very satisfactory rate. Eventually all of the required facts will be collated and referred to the standing committee of the industry for their guidance in proposing constructive revision of Simplified Practice Recommendation No. 74.

If there is any further information that we can supply you at this time bearing upon either the simplification movement in general, or upon this project of bed sheets in particular, we trust that you will not hesitate to let us know.

Cordially yours,

Edwin W. Ely, Chief,  
Division of Simplified Practice.
