My dear Mr. Gebhart:

Forgive me for having delayed so long in replying to your note of November 17th, sending me the Association's study of the estimate prepared by the Department of Justice on Illegal Liqueur. I have been away almost constantly since it was received, and can do no more now than to acknowledge its receipt, and thank you for your kindness in remembering my wants. I understand that you prefer that any use of the material should not be credited to the Association, at least at present. A little later I may want to talk with you about the matter.

Thanking you again for your kindness, believe me

Very sincerely yours

Mr. John C. Gebhart
