Miss Ida M. Tarbell
120 East 19th Street
New York

Dear Miss Tarbell:

Thank you for your kind note. I very much wish I might see and have a talk with you about that early formation of Chautauqua. I shall be away all of next week but could you make a time during the week after Thanksgiving when I might meet you?

Trusting you can make this convenient,

Very sincerely yours

Mina M. Edison Hughes
