

Handicap

Speech & reading -
Share a common lot -
Express - Hand hearing
A - ~~for~~ I did do
them of my grand -
big to the year ^{circum-}
Education. ^{What} ^{purpose}
are under the control of
opportunity - 'affliction'
(2) Protection

Prof. B. Handicap
A Handicap is a
challenge to intelligence &
Character - no class
med it - in a more

^{2.}
frustrate the very thing
~~the~~
a mark to me that
you hear me -
How.

Pooled experiences -
little - experience -
in a sense of mutual
aid & service.
1. A guide - out of
life reading
2. Billie Deane Cox -
continued to argue
Handicap.

3.
related examples of
what can be done -
Mr Bell -

not only yourself the
public of the and me of
the city - securities -
our responsibility to children &
through - no feeling some
capable of reflecting the
nature of education - the
public -
Begin with human
the slogan - see it all
& more of service

4
League of Nations for
developing nations of
handing them ^{present} sort of 2
economic problems which
could be handled by our
national credit. The same
the world - the supply -
the ignorant - the selfish
are hard to make a nation
for later case of handling
& this is the duty of
and the group of which
the world and by
experience can do that

5
Teachers of all -
Army of those who
who have conquered -
Any nation that
dignity would ahead -
- give us all that we can
of int. class - all that
virtue - make us the
love - no substitute -
nothing would - power -
class - power - system
are not to be only - of the fact
only in proportion to the
intelligence & character
with which they are met
